Story:

The Orochi Empire has emerged once again after 162 years!

It is said that the glorious swords of the past are gathering and are being divided into styles as part of a ritual ceremony!

Sister Sinimaru is a disciple of the sword. Her family is the most respected "one-eyed" family in the country, and she has a strong affinity for the "light"-based skills of her martial arts family.

Sinimaru was always confined to the pageantry of society, but one day in the city of Kohen, she saw something— something that was compared to an unwavering "light". The "light"? Oh, that was Menkaku—the Fool of Iron!

The most stubborn Tenmaichin out of the Tenmaichin, Menkaku's spirit was worshipped as a "Sword God"—and he was just an old broken sword.

The swordsmen who use a sword always take pride in saying "Sword God", but no ordinary sword can appear to be a "Sword God"! The concept of such a sword was **too ridiculous!**

The courageous Sinimaru hit back, **crying blood** from her leg. Menkaku's identity as

Hikari Field and Moonstone are teaming up to create the third installment in the HIKARI FIELD series and the twelfth standalone game to be released in STEAM. Besides the main story which is a sequel of the "DREAM WAKENER2" game that released 3 months ago, this title will also be a concrete milestone for us to expand our supported features to STEAM and have multitudes of accomplishments in the game. On top of this, we are opening the doors for players to unlock achievements in this game. In the game, you will encounter other players from all over the world, and construct a number of protective barriers in order to make your journey safer. But when an unidentified group also appears, are you prepared enough to protect the innocent ones? In this journey, you will need to protect those who look up to you, and can they rely on you when you are in trouble? But how do you tell if they are friends or foes? Is the truth one of the answers... □□□□□□□□□□□□□□□□□□□□

Five Things You Must Know Before You Start Your New Website Written by: Jason Fry21 November 2018 The #1 rule of any website: Know your audience. Only after you have this information can you create your website. The #2 rule of any website: Give them what they want. At this point, you should have a basic idea about what your site will be about. At this point, you should have a basic idea about what your site will be about. Make sure that you are offering what your audience needs or wants. You will find that the more that you offer, the more likely that your website will be successful. The #3 rule of any website: Make it easy for them to find out more about what they want. This is one of the most important things that you can do on a website. To do

this, you will want to make sure that you have an easy to use menu or search box. You will find that most people do not like to search. The more that you can make it easy for them to find what they are looking for the more likely that your website will be successful. The #4 rule of any website: Make sure you can be easily found. In today's world, most people are doing their research on the internet. If you are not easy to find,

IMPORTANT Play/Read on PC version ONLY!! Information in this guide may not be accurate on the Japanese or US release of the game. - [PART 7] -> [Item 4FAA] - Chapter 8 Yes, this guide is going to need a revision after mid/end August or so. The release of the PV for the next chapter may also trigger changes. I'd like to ask for your assistance, fixing any mistakes and/or pointing out grammar or formatting errors. I'm no native English speaker, so the guidelines are intended to help me in my efforts. Thank you! Any edits marked with [] will be available to start reading as soon as this is released (usually next Friday, but I'm not always that prompt) If you see this in a section, but not the one listed here for easy reference, page down, use the scroll bar, and click on the link to link on to the correct section. I'd like to specifically highlight the following for your assistance: - Subaruta's pronunciation guide in Japanese sections (courtesy of @BakaH) @Bittersweet - Japanese exclamation boxes/errors corrections (mostly relevant for chapter 5 and 7) @BakaH If you have corrections or/and spelling fixes not necessarily for this guide in other parts of this site, I'd love to have you let me know as well so I can incorporate it if possible. This should take less then 60 minutes and will help me in the process of revising this guide. | | |**

BLOKDODGE is a 2D arcade-style game where you play as a block and you must avoid getting hit by the enemy's shapes. There are over 30 different enemy shapes, but on each level they get faster and faster and they morph from one shape to another shape. The game has a number of power-ups that you can pick up along the way. You can spend points on these power-ups to help with dodging the enemies. The power-ups will help you dodge the enemies in exchange for points. Each time you use a power-up, the meter for that power-up will stay at full until you use the next one. The game also features 17 songs from DJ Rankin, and an alarm to let you know when your time is about to run out. This is a fun and addicting game! ----

How to Play

1. Press left to dodge.
2. Tap the screen to use the power-up.
3. Power-ups are automatic, so no need to tap on the screen.
4. Go down to buy new power-ups.
5. You can buy as many power-ups as you want at once by tapping on the multi-buy tab.
6. Press down to jump.
7. The game has 3 different modes. ---> Arcade mode. ---> Pro mode. ---> Time Trial.

---- Game features - As you play, you will earn points and can unlock new power-ups in each level. Each of those power-ups will stay enabled and you can use it at anytime. - Each power-up costs you some amount of points to activate it. - Every time you use a power-up, the amount of time you get for that power-up resets and it will go back to full. - Every time you complete a level, you can unlock a music track from DJ Rankin. ----
