Materia Each character has unique “Materia” from which they gain certain powers. There are many Materia existing in the multiverse of the Lands Between. By combining different Materia, characters can form a unique weapon and magic and develop new skills and items. Story In the Lands Between, many players lived peacefully for centuries, but in recent times, the balance among the six kingdoms has begun to drastically change. The life of the Lands Between now looks to be at a turning point. The time has come to rise. A great darkness pervades the Lands Between. The Elden Ring, a force that ensures peace, is in trouble. The seven Elden Lords, the undisputed heroes who are the protectors of the Lands Between, have suddenly vanished without a trace, and their descendants have been hard at work to seal away the darkness that has consumed the Lands Between. With the most powerful commander, a powerful sword, and various skills and abilities, every character is now awaiting the day they can find their missing lord… Features 1. Realistic Battle Features for Action RPG 1. Strong and Customizable Characters Battle becomes more suspenseful and exciting with each enemy you defeat! In addition to the stats, each character can be fully customized. With the skills of the six elements at your disposal, you can choose an effective combination of weapons and armor, and further customize your character through the various mutations and enhancements that can be done on the five different elements. In other words, the character of your choosing will be fully formed. 2. A Whirlpool of Adventure By exploring the Lands Between, you can freely travel to every corner of the world and meet new people, enemies, and items. There is a strong sense of immersion in this world, and once you are in the game, you will be unable to stop playing. 3. Impenetrable Techniques and Powerful Attacks During battles, you will be able to block, evade, and attack enemies without mercy. A satisfying sense of power and completion will be provided by unleashing attacks depending on your conditions and the skills of the six elements. 4. Full Customization and Deep Interaction for your Character The combat system allows you to experience all aspects of battle with a lot of freedom. By carrying items, equipping weapons and armor, and using skills,

12bit.gg Must have the games time's their money. Its a decent little game, and worth checking out. Steam Elden Ring is a great new fantasy roleplaying experience. It has a beautiful art direction, and offers both a fantastic online component as well as solid single-player content. The story centers around four main characters who travel between the lands of reality and dream, as they struggle to find their way home. Renegade Game Studios A very fun RPG with a unique mix of turn-based and real-time game mechanics. It's a real pleasure to explore a large, interesting world full of twists and turns. Indie Asteroid Elden Ring is an interesting blend of turn-based and real-time elements. Online quests, in which you traverse dungeons or stealthily sneak around, are more commonplace than static dungeons in other RPGs, and it really feels like your actions influence the outcome of those quests. Pocket Gamer Elden Ring is a real-time RPG with a tactical turn-based combat system. Like most RPGs, it has hundreds of items and weapons to equip your character with. But, the most unique thing about Elden Ring is that you can level-up just by being attacked. Gamezebo As you explore the plains and forests of Elden Ring, you will learn the basics of combat, magic, and technology. With great loot, great adventures and great friends, you will be in for a great time. RPG-Xbox RPG gamers, prepare to be happy. A couple of days ago Renegade Game Studios and Microsoft released the PC and Xbox 360 version of a new RPG called Elden Ring. So if you’re lucky enough to be able to check it out, you’ll see what an excellent match the two platforms are for RPG’s. XboxOne Everyone will tell you that a good RPG is supposed to be a fun, open ended experience, right? Well Renegade Game Studios gave that to us with the RPG ‘Elden Ring’. Easily one of the best RPGs available for Xbox One, I can’t wait to get my hands on it. EGM Elden Ring is a refreshingly new take on the role-playing genre and an MMO bff6bb2d33
