After a year of recording and writing material, the two went into the studio and recorded a debut album together titled Relatively Dreamless Mornings. In 2013, following the release of Relatively Dreamless Mornings, the band signed with French indie label I2 and began work on their debut album. In 2015, Open Roads released an album titled The River. Side projects In 2014, Rebecca Cole recorded a solo album titled Dream Bomb under the name Cohere and another solo album titled Alarm.
