It's a murky world out there, in the psychic and supernatural fields, where bigger is

usually better, and clever tends to win over a powerful spirit. But for one man, the Japanese monk Shomyo, it was not so. As a member of the prestigious 7th generation in an ancient clan of healers, this monk was a young man with keen psychic powers. Shomyo

discovered his sixth sense early, and was destined to be a great healer, but his ambitions went beyond that, for he hoped to prove his ability to heal using spiritual power. At the age of 21, Shomyo was offered the ultimate challenge by a man called Sasaki, who promised to arrange

a challenge between
the two if only
Shomyo would
demonstrate his
skills to him. But
Shomyo would have
none of it, and
declined to take part
in this unusual bet.
So Sasaki did what
many seekers of
