the holy father said, "if a hymn is sung badly, it can still be beautiful, but a beautiful song sung badly is not a hymn." the melody, the sound of the voice, and the choice of words should all contribute to the beauty of the hymn. the melody should be in the key that best expresses the text. the choir should pronounce the words clearly, not making "shy" or "scared" sounds, but singing the words normally, in the voice that is most appropriate for the text. the pronunciation should be steady and clear, and the voice should move from the chest to the head and back. step 3: as the download is in the form of an exe file, you need to right click on the file and then select run as administrator. if you are not an admin then you will need to use the desktop shortcut to open it as an administrator. the hymns and prayers are very concise, and they have a lovely old-fashioned layout. i really enjoy it. it has hymns that are very traditional for the united states and the united kingdom, as well as hymns that are good for roman catholic devotions.. hymns in the section on the worship of the holy ghost are not as fully developed as hymns in the section on the worship of the father. nevertheless, they have a fine and deep feeling. the hymns in this section are all bride hymns, which means that the beloved disciple is the central figure in the hymns. this is also true of hymns in the section on the worship of the holy spirit. finally, hymns in the section on the worship of the son are like hopeful hymns and express the hope of the church and of salvation. in these cases, the hymn may inspire a longing for the fullness of the christian life and salvation. the church asks for these hymns, which are a reflection of the longing of the faithful.
