---

Trial by Fire is also a standalone expansion, the perfect way for newcomers and fans of the previous installments to enjoy the authentic Might & The Magic Heroes Experience... Now that you have the game, you can have more fun with some of the most beautiful graphics add-ons! We recommend that you try the full game as it offers tons of improvements and additional features that you will never find in the free version. Features: - Choose from 13 different heroes of each faction with unique abilities. - Play as different creatures with different abilities. - 4 characters and 5 bosses to destroy. - 7 different game modes.
