Hi, I have installed the trial version of CAD 2010. I need a student key. Is there any documentation that shows all the steps needed to get and install. I can't find when I open the activation window the key I choose doesn't match the one I got from Microsoft. How can I get the key I need? Thank you

in advance Please see
"Activation Help (<http://support.microsoft.com/kb/897808>)" and "Activation
