Movie Torrent, Wrong Turn 2 Dead End Dual Audio English Bdrip 720p. On the way to his family's vacation home, a man is forced to a dangerous turn when he encounters a menacing new family. In this director's cut version, we see Tom's journey even more intimately and in greater detail and all of it takes place on one terrifying road. Our brief scenes with Tom's brother, Alex, were all deleted from the US release as well. In the director's cut, we see how Tommy and Alex met, learn a little more about their mother's death, and see more of the scars on Alex's body. Also, the real time is added to the car chase, especially the final chase where Tommy learns that the driver he put in the trunk was Peter's friend and we learn the full extent of what happened to him. Also, we learn a little more about Alex's gang, and the violence of it all. There are also more deleted scenes involving Tommy and Alex, one where Tommy's brother sees a stranger on the news and talks about Peter, and one where Tommy is in his bathtub and Alex comes in and looks down on him. And some of the "filler" family scenes get trimmed, which is understandable. There's a scene where Tom is reading in bed when an intruder comes into the house, and the sequence in the back of the car that was cut from the original release. This movie was also released under the title Down to the Wire. Wrong Turn 2: Dead End "Full" is 800Mb in mkv format. Wrong Turn 2 Dead End Dual Audio 720p BluRay. 720p HDRip Dual.
