I am using Xplane 11 and i love it but in the days when you changed airports or roads you had to go back and change in Xplanes airports also. Who's broken this one. It seems that there is an airport in a desert area called Moab Utah and you can't fly in this area and you can't choose a road in a forest area even though the roads in the forest are listed. Any fixes for this? X-Plane 11 beta 2 came out about a year or two ago and when it came out the game was amazing. I went through some beta 2 problems which they fixed in the betas 3-4, beta 6 and beta 7. My problem happened when updating from beta 8 to beta 7. I lost my data and my planes due to this update. I just want to get some help fixing this. X-Plane 11 Download In addition, X-Plane Crack Full Version is the latest version of the best flight simulator in the world.
