Brothers. in Blood: The Lions of Sabi Sand: Directed by Daniel Huertas. With Luke Allen-Gale, Craig Packer, Amy Dickman, Dave Salmoni. "Brothers" is a modern remake of the 1988 film of the same name. Starring the same Luke Allen-Gale and his twin brother Craig Packer (which is not surprising). And both of them are just great in their style of play. Luke is the same guy who does not want his life to be like his brother's, and Craig is the one who is always ready to support his brother in difficult times.
