Live with Me Made this little video for my fiancé on my first day of being single after a four year relationship. Happy to do this video for the first time, I'm very excited to do this. Hope you enjoy and will be a sweet reminder for me when I'm home alone, feeling lonely and/or lonely for me. This is my first time singing on my own, so it was pretty embarrassing, but I think that makes it better for me. In the video, I'll mostly be holding my phone up to the mic like a cheap mic would sound like, that's why the sound isn't the best. If you like the video, it would mean the world to me and you, so please give it a 'like'. Check out my other videos and support my music on Bandcamp, it would mean a lot to me.
